The 14 batches of pre-rolls and infused pre-rolls, listed in the table below, were not completed in their entirety prior to regulatory compliance sampling, pursuant to CCR, Title 4, section 15303(b) and 17401(a). And the sample taken for regulatory compliance was not a representative batch, pursuant to CCR, Title 4, section 15705(c). Therefore, the purity and quality are different from that which the batches are represented to possess; and the methods and controls used for the manufacture, packing, and holding do not conform to with the practices established by regulations adopted under this division to ensure that the cannabis or cannabis product meets the requirements of this division as to safety and has the concentrations it purports to have and meets the quality and purity characteristics that it purports or is represented to possess. Therefore, the batches listed below are adulterated, pursuant to BPC 26039.6(a)(5)(6)
